Prospective contractors with questions about insurance coverage may contact:
Rich Reichley, NPG Associate Director for Finance and Operations

V. SYSTEM FOR AWARD MANAGEMENT (SAM) REGISTRATION (FORMERLY CCR)
It is a requirement that current and prospective recipients of contract and purchase orders awarded by the SI must complete registration and maintain an active record in the System for Award Management (SAM). The SAM requires a one-time business registration, with annual updates, and allows vendors to control the accuracy of the business information they enter. The financial data you enter, which includes the electronic funds transfer (EFT) data collected by SAM, will assist the SI in paying your invoices and complying with the Federal Debt Collection Improvement Act of 1996. You may complete or update your information in SAM online at http://sam.gov . Questions regarding the process may be directed to the Federal Service Desk online at www.fsd.gov or via toll free call to 1-888-606-8220. There is no
charge for registering in SAM.

If yours is the acceptable price quote and you are selected for award, your organization's valid and active registration with SAM must be verifiable by SI staff administering this procurement prior to contract or purchase order award, and at the time any modifications or amendments to awards might be required.

It is strongly encouraged that prospective contractors enroll in SAM in parallel with responding to this RFQ: while not an evaluation criterion, delays in obtaining proof of an active SAM enrollment from the selected contractor may necessitate NPG having to adjust this RFQ and solicit new quotes.

NPG staff are not authorized to assist prospective contractors in completing SAM enrollment. Prospective contractors should seek the assistance of regional help bureaus at http://www.aptac-us.org/contracting-assistance/
