## Things to Remember...

### A Social Story

**I am going to the National Portrait Gallery soon. There are things I need to remember so everyone can have fun!**

**I will remember to follow the rules.  
Rules keep art safe. Rules keep me  
safe.**

**Security guards may talk to me about the rules. This is okay. I will try to listen to the security guards because security guards want to keep me safe.**

**I will remember to walk in the museum.**

**It is okay to look at pictures with my eyes. I will remember to keep my hands down at my sides.**

**It is okay to look at sculptures with my eyes. I will remember to keep my hands down at my sides.**

**Sometimes I will see a rope in front of art. The rope helps me remember to stand on one side of the rope. The art will be on the other side.**

**It is okay to ask a question. I will remember to try to talk with my quiet inside voice.**

**If I feel tired, I can sit on a bench.**

**If I feel hungry or thirsty, I can eat or drink in the Courtyard.**
